## Civilian Smooth Move Seminar

Attention civilian employees! You just found out that you are returning to the United States! The employment and relocation game seems full of chances and pitfalls. Are you ready for the job market in the U.S.? Do you know anything about the community you would like to go to? How about civilian entitlements and benefits? Let the staff at Community Family Support/Army Community Service show you how the game is played. They can make it an adventure instead of a series of frustrating rolls of the dice. The Civilian Smooth Move workshop will cover the following topics: how to design/update your resume, the SF 171, civilian entitlements, personal relocation planning, becoming a master of change, returning to the U.S. and budgeting for a move. If you are a government service civilian employee affected by the five-year rule, this workshop will be of particular interest to you. It will be held on April 23 and April 30 from 12:30 to 4:30 p.m.
